

The Next Steps for Destinations Career Academy of Georgia

ATLANTA, March 4, 2025 – Destinations Career Academy of Georgia, a tuition-free online public charter school serving students across Georgia, will conclude operations at the end of this academic year at the direction of the State Charter School's Commission. The last day of instruction will be May 21, 2025, with official closure on June 30, 2025.

Throughout its time serving students, Destinations Career Academy of Georgia has been dedicated to providing career-focused education and helping students explore future pathways. The school has connected students with unique learning opportunities designed to prepare them for success in college and careers.

School leaders are committed to ensuring a smooth transition for students and families, offering informational meetings and working closely with other districts to provide guidance on future educational options.

Since opening in 2022, Destinations Career Academy of Georgia has proudly served students in grades 6-10 across the state. The school has fostered growth, exploration, and opportunity, equipping students with valuable skills for their futures.

As the school completes its final year, Destinations Career Academy of Georgia extends its heartfelt appreciation to students, families, and staff for their dedication and support.
